

R12 infront

R12 infront ist ein variables Kommodenprogramm für den Wohn- und Objektbereich. Die verschiedenen Kommoden werden beliebig aneinandergereiht auf einen 4,8 cm hohen Sockel gestellt. Auch wandhängende Lösungen sind möglich. Ausführungen der Fronten in Lack matt und Lack Hochglanz in den Farben gemäß Kollektion. Umlaufender Rahmen in Stärke 1,2 cm auch in Holz furnier.

R12 infront is a combinable range of chests for the home and office. The chests are placed next to each other in any combination on an lacquer base in height 4,8 cm. Hanging chests are also possible. Fronts in matt painted and in high gloss in different colours. Fine frame 1,2 cm also in wood veneer.
